

HIPSBC Summit 2026

October 22nd – 24th, 2026
Sun Peaks Grand Hotel &
Conference Centre

**Attendee
Package**

Welcome to the 2026 HIPSBC Summit!

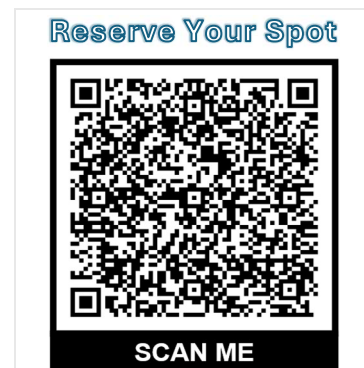

As we look ahead to another year of learning, connection, and collaboration, we would first like to extend our sincere thank you to everyone who attended and supported the 2025 Summit. Your participation helped make our first year back a tremendous success, and we are incredibly grateful for the continued engagement of our members, partners, and sponsors.

As our profession continues to evolve, there has been recent discussion regarding continuing education requirements in British Columbia. While continuing education credits are no longer mandated in BC, HIPSBC strongly encourages all practitioners to continue tracking and pursuing ongoing professional development. Continuing education benefits not only those who participate, but ultimately the patients and communities we serve through enhanced knowledge, skills, and standards of care. It is also important to recognize that continuing education remains a requirement in all other provinces. As a provincial society and national partner, HIPSBC will continue to advocate for lifelong learning and remain committed to offering accredited educational opportunities for our members and Summit attendees.

As part of the 2026 HIPSBC Summit, we are also excited to introduce several highly anticipated experiences. Based on feedback from last year's Summit, many of you expressed interest in hearing from a particular presenter — and we listened. A featured presentation is planned for Thursday evening, and it is one attendees will not want to miss. Full details will be shared in the coming months, and we strongly encourage attendees to plan their travel accordingly to ensure they are able to attend this special session.

In addition, HIPSBC will once again be hosting a Friday Night Social Event, offering a fun-filled and relaxed evening designed to bring attendees together in a more informal setting. The evening will include opportunities to unwind, connect with colleagues, and enjoy engaging activities alongside food and refreshments. This optional event will be available as a \$25 add-on and is intended to complement the Summit's educational programming with meaningful networking and social interaction.

We are excited to welcome you into the new year and hope we can once again count on your support as we come together at the 2026 HIPSBC Summit. We look forward to learning, sharing, and advancing our profession together.
